1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes the need for transparency and accountability in financial reporting.

2. The second part of the document outlines the various methods and techniques used to collect and analyze data. It includes a detailed description of the experimental procedures and the instruments used for data collection.

3. The third part of the document presents the results of the study, showing the trends and patterns observed in the data. It includes several tables and graphs to illustrate the findings.

4. The fourth part of the document discusses the implications of the study and provides recommendations for future research. It highlights the need for further investigation into the underlying causes of the observed phenomena.

5. The fifth part of the document concludes the study and summarizes the key findings. It reiterates the importance of accurate record-keeping and the need for continuous improvement in data collection and analysis methods.

Faculty Pool for University-Wide Promotion and Tenure Portfolio Review Committee

From Section 2.5.3 of the Faculty Handbook:

Annually, the Faculty Senate will identify a pool of at least 15 eligible members from all tenured professors at the Associate and Full Professor ranks for recommendation to the President to serve on this committee. From this pool of candidates, the President of the University will annually, in October, select members to serve for two (2) academic years. No faculty member from a faculty constituency will be appointed for additional terms until the entire pool from that constituency has been exhausted. Only then may professors be appointed to serve another term. Exemptions from

* Has served maximum of 2 consecutive 3-yr terms allowed by shared governance document. Not eligible for reappointment.
