B. Employment of Adjunct Faculty

1. For first-time employment of adjunct faculty, the department chair should submit to the college dean a Personnel/New Hire Action Form and complete the New Hire Checklist. The college dean should endorse the request and send it to the Provost and Executive Vice President for Academic Affairs. Subsequent employment will be made by an Electronic Personnel Action Form. For adjunct faculty, no interview is required at the Provost and Executive Vice President for Academic Affairs level or higher. 2.6 CRITERIA FOR APPOINTMENT, PROMOTION, AND/OR TENURE

2.6.1 General Criteria for Promotion and/or Tenure

As a regional, state supported institution of higher education, the University of North Alabama engages in teaching, research, and service in order to provide educational opportunities for students, an environment for discovery and creative accomplishment, and a variety of outreach activities meeting the professional, civic, social, cultural, and economic development needs of our region in the context of a global community. Faculty members seeking promotion and/or tenure are expected to demonstrate significant contributions in support of this mission as reflected in accomplishments specific to the criteria below.

A. Effectiveness in Teaching/Effectiveness in Role as Library or Educational Technology Services Faculty. The candidate is evaluated upon evidence such as the following: knowledge of subject matter, including current developments in the discipline; active concern for the student's academic progress; evidence of success in supporting mentoring and student research and creative activity; ability to organize and effectively present and evaluate coursework, including effectiveness in oral and written communication; ability to motivate student interest and participation; ability to relate coursework to other fields with a view to broadening the student's general knowledge; evidence of conscientious preparation; and use of effective methodology and teaching techniques. The teaching faculty candidate (e.g., Librarians, Instructional Designers, etc.) is evaluated upon evidence of professional effectiveness such as the following: knowledge of the field, including current developments in the field; demonstrated active concern in providing resources that support student, faculty, and staff development and enhance academic progress; effectiveness in oral and written communication; and ability to develop their own unique contribution to their area and the university.

The department chair shall convene a third-year review committee, consisting of all tenured faculty. The department chair or designee will supervise the election of a committee chairperson.

After all members have reviewed each portfolio, the committee will meet en masse (convened in person) to discuss each portfolio. It is the responsibility of the third-year review committee chair to compile formative comments regarding strengths and weaknesses in relation to the university, college, and departmental criteria established for promotion and/or tenure and report to the department chair. The department chair is responsible for meeting with the candidate to discuss the results of the committee evaluation.

2.6.4 Procedure for Promotion and/or Tenure

Faculty whose employment began prior to the 2017-18 academic year are covered by the promotion and/or tenure policies found at Appendix 2.E, unless a request to opt in to the current promotion and/or tenure policies is made to the department chair, dean, and the Provost and Executive Vice President for Academic Affairs no later than the end of the 2021-22 academic year. Opting in to the new policies does not allow for a combination of the two policies. The policy contained herein is effective for all new faculty hires beginning with the 2017-18 academic year.

An award of promotion and/or tenure is not a right but a privilege that must be earned by a faculty member on the basis of his or her performance and promotion during a probationary period. The granting of promotion and/or tenure is never automatic. Promotion and/or tenure is granted after a faculty member has been evaluated by a committee made up of tenured faculty members in a department, the department chair, the dean, the University

Promotion and Tenure Portfolio Review Committee, the Provost and Executive Vice President for Academic Affairs, and the President. However, the President may, after appropriate consultation, grant tenure at any time if a sufficient reason exists for so doing.

Approved leaves may count toward years of service toward promotion and/or tenure if negotiated with the department chair, dean, and the Provost and Executive Vice President for Academic Affairs at the time leave is granted.

A. Faculty Members Who Are Not Department Chairs

The initiation of the promotion and/or tenure review process is the responsibility of the faculty member. It begins when the faculty member submits by e-mail to the department chair, dean, and the Provost and Executive Vice President for Academic Affairs notification of intent to apply by May 1 prior to the fall semester the application will be evaluated. The dean will confirm, with the Office of the Provost and Executive Vice President for Academic Affairs, whether the candidate is eligible for promotion and/or tenure and notify the candidate by May 15. This notice to the candidate shall be made in writing and sent through official university communication methods, including email. Failure to notify the candidate by this deadline does not automatically constitute a grant of promotion, tenure or extension of the employment contract. In such situations, appropriate adjustment of deadlines for notification and portfolio submission will be recommended by the dean to the Provost and Executive Vice President for Academic Affairs.

For faculty seeking promotion and/or tenure, an electronic portfolio will be submitted by October 1 of the final academic year of probationary status via the online database that UNA has established for this purpose. For faculty seeking promotion only, an electronic portfolio that provides evidence of accomplishments will be submitted by October 1 via the online database that UNA has established for this purpose. Candidates can withdraw their application at any time in the process with the understanding that a final decision will not be made for promotion and/or tenure. This choice by the candidate may have an impact on continuation of employment if the decision to withdraw a promotion and/or tenure application is in the final academic year of probationary status (See Section 2.6.4). The timeline for reviewing promotion and/or tenure materials can be found in Appendix 2.D/2.D.1.

The electronic portfolio will contain the information set forth by the University, plus the college and/or departmental guidelines. The information will be housed in the online database that UNA has established for this purpose and will be accessible only by the administration and committee members involved in the promotion and/or tenure review process.

The committee will select a vice chair to serve as assistant to the chair during the first year of a two-year term and to assume the role of chair during the second year. Annually, the Faculty Senate will identify a pool of at least fifteen (15) eligible members to serve in this pool. Appointment to the pool and service on the committee is limited to faculty who are tenured and hold rank as Associate Professor or Full Professor. From this pool of candidates, the President of the University will annually, in June, select members to serve for
