addition of booths and changes to lighting are also planned. During Christmas Break 2017, the mezzanine area will be added. The add-on with garage door access is anticipated for construction in summer 2018; this provision will be needed for D1

4. Cashiers – When students have exhausted their meal plan, it would be helpful if the cashiers could offer the student the option for other forms of tender. Mr. Starks asked if there were a balance summary on the receipt plan usage could be tracked; Ms. Breer stated that it is a Blackboard issue. Only four dining dollar “buckets” can be reported at this time.
5. Dining app – The Chartwells dining app will include text feedback. Both Ms. Breer and Mr. Bennett will see if the download statistics for IDNA can be generated out
